

“OFFICIAL VAN LINE CARRIER”

NATPE 2008

LAS VEGAS, NEVADA

COMTRANS / Atlas Van Lines is pleased to have been selected by NATPE International as the “Official Van Line Carrier” for NATPE 2008 in Las Vegas, Nevada.

As the largest agent for Atlas Van Lines handling exhibit and display shipments, *COMTRANS* can transport your exhibit materials any time and from any point to NATPE 2008 in Las Vegas, Nevada.

COMTRANS transports both blanket wrapped (loose) or containerized exhibit properties and provides “Field Service” supervision at origin and at tradeshow destinations. Direct on-time loading and on-time delivery is guaranteed.

Our employees are highly qualified and trained in the movement of exhibits and displays. Our fleet is comprised of specialized vehicles, fully equipped, five-axle, flat floor, air-ride exhibit vans with high cubic foot capacity.

Our “Client Services” department is available 24 hours / 7 days and is completely computerized allowing us to make dispatch commitments and to trace shipments within moments of your request.

.. **SAVINGS / DISCOUNTS:**

COMTRANS will be providing van line transportation to NATPE exhibitors at special discounted rates for less than a truckload as well as truckload shipments of exhibit materials, promotional materials and give-a-ways.

.. **SUPERVISION:**

We will also be providing supervision at show site to assure expeditious handling through move-in and move-out.

.. **TIMING:**

COMTRANS / Atlas Van Lines as “Official Van Line Carrier” of NATPE 2008 will be able to accommodate each exhibitor’s specific transportation needs, including last minute shipments, by providing top quality personnel and air-ride equipment on special schedules to meet NATPE move-in and move-out requirements.

.. **VOLUME:**

Because of our volume and special attention to NATPE exhibitors we can provide shorter lead times before loading to the show allowing each exhibitor as much preparation time as necessary.

.. **BUDGET / PLANNING:**

Even if you don’t have firm information on your volume of materials to be shipped, call us now to help you begin to develop your budget. Your “Transportation Strategy” can begin as early as design.

Call us early toll free for accurate quotations honored through NATPE 2008.

If you do not have firm transportation requirements available **now** call us for budgeting estimates to help you plan.
